

CARE & MAINTENANCE

FOR DECORATIONS WITH GOLD & LUSTROUS FINISHES

This porcelain product is crafted using precious materials and refined application techniques. The decorative surfaces, which incorporate glazes containing pure gold, may gradually lose some of their original brilliance over time, taking on the distinctive appearance of antique gold. The use of metallic lusters enhances the tiles with subtle variations in color, creating rich chromatic depth and pearlescent reflections along the edges.

INSTALLATION GUIDELINES

- **Application:** These products are designed exclusively for wall installation. They are not suitable for floors or surfaces subject to foot traffic.
- **Environment:** Do not install in wet areas (e.g., showers, saunas, steam rooms, or outdoors exposed to moisture). Recommended only for indoor, dry-wall applications.
- **Surface Preparation:** Ensure the substrate is clean, dry, stable, and free from dust, oils, or residues before installation.
- **Adhesives:** Use high-quality, white polymer-modified adhesives suitable for porcelain wall tile. Follow adhesive manufacturer instructions.
- **Cutting:** If cutting is required, use a water-cooled diamond blade. Avoid aggressive cutting methods that may chip the decorative surface.
- **Grouting:** Apply grout carefully, avoiding abrasive or sanded products. Clean all grout residues immediately with a soft sponge and clean water, without applying pressure.
- **Sealers:** Do not use sealants or treatments containing abrasive or corrosive substances.

CLEANING & MAINTENANCE

- **Routine Cleaning:** Do not use pastes, abrasive detergents, rough sponges, or harsh cleaning substances. Clean only with water or a mild, neutral soap using a soft sponge, without rubbing.
- **After Installation:** Remove all adhesive and grout residues immediately using a soft sponge and clean water, applying no pressure.

*** Important Notice ***

Failure to follow these recommendations may result in permanent damage to the product's surface. In such cases, manufacturers & distributors decline all responsibility for any disputes or claims.
